

The Mountel Group LLC

Full Service Property Management

Attention Real Estate Agents

**Do You Have Clients Considering Leasing Their Home?
Do You Have Vacant Listings?**

Many homeowners are at a crossroad unable to sell a home they no longer occupy...in many cases causing financial hardship.

Offer Your Clients Another Option!

The Mountel Group specializes in single family home property management. A majority of our clients never intended on being a landlord. We take the burden of trying to manage the property off their shoulders and allow them to move on with their life.

**The Mountel Group Values The
Partnerships We Have Forged With The
Real Estate Agents We Work With.**

We pride ourselves in our commitment to both clients and agents by providing regular updates thru the leasing process as well as notifying you at lease end...we never replace you as the ultimate contact with your client. Referrals provided to us are compensated in a similar manner as any traditional real estate transaction between agents.
